SOFAS

When choosing one of our sofas, you can customize it by selecting your favourite colour or texture of the upholstery. Some models allow for a wide range of customization, from arm design, lounge chair's position (left / right), to layout configuration (for modular products), which best fit your own space.

Our furniture has a minimum lifespan of 10 years. Carefully choose your favourite product, upholstery material and the right configuration – the furniture will accompany you through your daily experiences for a long time!

Whether you need an office sofa, a modular sofa, an attractive design for relaxation amidst your family or an extendable sofa to fit your less than generous spaces, you are in the right place. Always choose what it best fits your needs!

Enjoy living!

Also available with Hungarian embroidery

Bucovina Sofa

Built in keeping with the genuine Romanian tradition, the Bucovina sofa offers a new view for modern and classic interiors. The simplicity of construction, the clean and flat lines, delight the view and guide it to the catchy floral embroidery sewn both onto the sofa's arms, seat cushions and pillows. If you want a comfortable sofa which will also delight your eyes and heart, then Bucovina sofa is the perfect choice.

The structure is made of solid beech wood, multilayer and chipboards. The comfort is provided by the coil spring structure and the high density HR (high resilience) foam of the seat and back cushions.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. The manufacturer's recommendation is for the colour combination of the original model. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Notes:

Full slipcover feature.
The extension is suitable for occasional sleeping.

New York Corner Sofa

The New York corner sofa is made up of a tufted upholstered set which confers an elegant feel to inner spaces. Its special design makes for a remarkable effect, both in a modern and a classic setting. This sofa strikes a balance between charming mornings, in a minimalist and elegant setting, and lively, sensual and comfortable evenings.

The structure is made of solid beech wood and chipboards. The comfort is provided by the structure of the seat, made of two overlapping layers of springs (a layer of sinusoidal springs and a layer of Bonnell springs) on top of which rests a high density HR (high resilience) foam.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. The manufacturer's recommendation is for a fabric upholstery. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Notes:

- Non-slipcover feature.
- Non-extendable sofa.

Miami Sofa

Miami is a piece of furniture that breathes a retro air. The sculptural lines, accentuated by wooden legs, stand as a testimony of the past being successfully incorporated into the present. The small width of the back and arms of the sofa, makes it suitable for small spaces, but at the same time, effectively enhancing the feel of a generous space.

The structure is made of multilayer and solid beech wood. The comfort is provided by the medium density HR (high resilience) foam of the seat and back cushions and by the small decorative silicone fiber pillows.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. Due to the full slipcover feature, the manufacturer's recommendation is for a fabric upholstery. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Bruxelles Corner Sofa

Optionally, the sofa can be made as extendable version

Paris/Bruxelles Corner Sofa

Paris and Bruxelles are two modular sofas which can pleasantly change the vibe of a living room, making a shift in the way we decorate our living space. The distinguishing feature between the two models is the extra seat cushion stitches of the Bruxelles sofa. Strong points of these two models are the long term comfort and stability of the seat cushions, as well as the great level of versatility depending on the existing space.

The structure is made of solid beech wood and chipboards. The comfort is provided by the HR (high resilience) foam of the seat and back cushions and the extra elastic strap of the seat. The extension features a metallic structure and elastic beech slats, combined with polypropylene foil and a foam mattress or a 12 cm spring net mattress.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. The manufacturer's recommendation is for a full fabric upholstery or fabric seat and headrests with a faux leather frame. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Notes:

- Paris – slipcovered seat cushions.
- Bruxelles – non-slipcover feature.
- Non-slipcovered headrests; extra slipcover can be ordered.
- Modular products.

The extension is suitable for occasional sleeping.

The back and arms' headrests are adjustable to 5 levels / positions.

**DREAMING FOR
COSY NIGHTS**

Damasc Bed with Comfort Headboard

Damasc Bed

Conceived as the perfect mix between design, comfort and functionality, the Damasc bed is available in several decorative options and different levels of comfort, allowing for a configuration that best fits your needs.

Comfort is provided through the Boxspring system mattress, made of a main Pocketspring mattress on top of a Bonell spring type base, which absorbs up to 50% of the bodyweight. The bed consists of two Boxspring sections on top of which stands an extra Topper mattress.

Topper's structure may be:

- 4.5 cm HR (High Resilience) foam;
- 4.5 cm memory foam (grants movement and bodyweight absorption);
- 10 cm "Comfort plus" (combination of HR foam and memory foam).

Unlike the classic construction beds, Damasc bed forms a monoblock structure after assembly.

This special structure and the individually wrapped springs of the main mattress allow us to guarantee for a non-squeaky bed.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Notes:

Partial slipcover feature: Topper.
Headboard available in two design choices:
Comfort and Cubo.

CHAIRS

A chair or an armchair? We believe you shouldn't compromise on comfort. MobilaDalin's upholstered chairs are thoughtfully designed in keeping with the needs of those gathering around the table. Greet your guests with chairs you choose according to your own style, but nevertheless be mindful of their comfort needs. We offer a wide range of upholstery materials: fabrics, natural leather and faux leather. Let your imagination run free and create the right ambiance for family meals.

Take a seat and enjoy long Sunday meals with your family or delicious snacks in the company of your friends.

Enjoy dining!

Teleorman Chair

A versatile chair, fit for an active lifestyle with focus on comfort and an eye for quality. Seen as a fruitful match between classic design and the delicate embroidery of the traditional Oltenian overcoat, this chair offers a fresh note and timeless comfort. A fusion of new decorative trends which integrates modern with traditional. The right chair, overflowing imagination and an abundant table... the perfect recipe for a charming evening.

Exquisitely finished, the chair's structure consists of laminated wood panels and solid beech wood. The comfort is provided by the sinusoidal springs of the seat cushions, covered with a high density foam and the back cushions made also of a high density foam.

MobilaDalin offers a wide range of fabrics for upholstery. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

The **Teleorman Table** will impress with excellent craftsmanship of details, fine embroidery and solid beech wood legs. The table top consists of upholstered chipboard, available in various textures and colours, all embroidered with traditional Romanian motifs. The upholstered surface can be covered with tempered glass for protection.

The legs come stained or painted in different shades. Slipcover feature: table top.

Also available with Hungarian embroidery

Tokyo Chair

We care for the needs of our clients, we analyse their opinions, and in consequence we create products to fit their practical and esthetical demands. This is how Tokyo and Oltess chairs came into being.

The structure is made of solid beech wood and multilayer. The comfort is provided by the medium density HR (high resilience) foam of the seat and back cushions placed on a strong multilayer board.

The difference between the two chairs, Oltess and Tokyo, is made by the slipcover with a wadding layer which is padded by a decorative embroidery in the case of the Oltess chair.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Notes:

Full slipcover feature.
Fully disassemblable chair.

Tokyo Table

The table-top is made of MDF veneered in oak and the legs are made of solid beech wood. It can have a stained finish (oak, dark walnut, wenge, grey or milk) or a painted finish in different shades (black, white, cream, turquoise green and red).

ENJOY LIVING

We try to escape routine, we are creative and we promote culture.

Mobiladalin develops a new creative segment in furniture design: unconventional art. Our products are "clean slates" available for the spirit and talent of artists, subsequently becoming art pieces.

Our designers create items of furniture which help you escape daily life, urge you to be creative and encourage you to build your own environment in sync with your style. People enjoy life through colours, light, and love.

Colour outside the lines, think outside the box and fill every page with life!
