

DATE TEHNICE

TERRA

Canapea Terra

Structura este din lemn masiv de fag, plăci din aşchii şi fibre de lemn. Confortul este asigurat de şezutul din poliuretan de densitate medie şi pernele de spătar din puf siliconat.

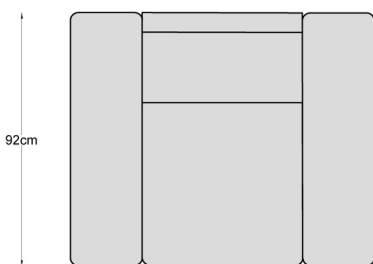

Terra este disponibilă în variantă fixă sau extensibilă. Extensiile au o structură metalică şi lamele elastice de fag combinate cu folie de polipropilenă şi o saltea de poliuretan de 6 cm.
