2018 MOBILADALIN / NEW COLLECTION

SOFAS

When choosing one of our sofas, you can customize it by selecting your favourite colour or texture of the upholstery. Some models allow for a wide range of customization, from arm design, lounge chair's position (left / right), to layout configuration (for modular products), which best fit your own space.

Our furniture has a minimum lifespan of 10 years. Carefully choose your favourite product, upholstery material and the right configuration – the furniture will accompany you through your daily experiences for a long time!

Whether you need an office sofa, a modular sofa, an attractive design for relaxation amidst your family or an extendable sofa to fit your less than generous spaces, you are in the right place. Always choose what it best fits your needs!

Enjoy living!

Control buttons and USB opt on the arm's side.

Rio Corner Sofa

Rio is a modern product, both self-standing as non-extendable or electric recliner chair, and modular units, easily converted into a sofa or a corner sofa at will. The electric recliner features conveniently placed control buttons on the arm's side, also offering a **USB port** for recharging a phone, tablet etc.

The structure is made of solid beech wood and multilayer. The comfort is provided by the memory foam of the seat cushion on top of an elastic strap and the medium density HR (high resilience) foam of the back cushion.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. The manufacturer's recommendation is for a fabric upholstery. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Notes:

Non-slipcover feature.

Modular products.

Independent movement of the headrest and the seat. The non-extendable armchairs have a manually multi-step adjustable headrest.

RELAXATION
TO THE HIGHEST
DEGREE

Flow Sofa

Flow Sofa stands for relaxation to the highest degree. The form flow, mirrored in its choice of name, is supplemented through a special, angled arm design, a guarantee for a natural leisure pose.

The structure is made of solid beech wood and multilayer. The comfort is provided by the elastic strap net of the back cushion and the high density HR (high resilience) foam of the seat.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. The manufacturer's recommendation is for leather or fabric upholstery in a variety of textures and colors. If the upholstery material is fabric, the arm and the back cushions can be embroidered. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

The legs can also be made of solid beech wood.

Galla Chester Sofa

The simple, clean line complemented by the tufted upholstery, symbol of the Chesterfield style, makes Galla a classic. Notable features are the adjustable headrests and the back's structure, allowing for movement in order to increase the size of the seat, which translates in extra comfort.

The structure is made of solid beech wood and multilayer. The comfort is provided by the seat cushions made of memory foam on top of an elastic strap net, and the medium density HR (high resilience) foam of the back cushions. The decorative pillows are filled with silicone fiber.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. The manufacturer's recommendation is for a fabric upholstery in a variety of textures and colors. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Notes:

- Non-extendable product but, the back mechanism allows for adjustable seat size.
- The headrests are adjustable.
- Partial-slipcover feature: seat cushion and decorative pillows.

Oxford Cornersofa

Adjustable seating and headrests for extra comfort.

Britannia Corner Sofa

Britannia means redesigning for comfort and relaxation in an imposing and, at the same time, elegant keynote. Being a modular product, it can act as a good "friend" for large families as well as a trusted partner in creating a nice, relaxing atmosphere. Britannia offers the advantage of a configuration according to an existing space and the adjustable seating and headrests for extra comfort.

The structure is made of solid beech wood and multilayer. The comfort is provided by the HR (high resilience) foam of the seat and back cushions and the extra elastic strap of the seat. The extension features a metallic structure and the headrests are adjustable to 6 levels / positions.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. The manufacturer's recommendation is for a fabric upholstery. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Notes:

Havana Sofa

Designed to shape exuberance and nonconformity, Havana sofa is the ideal choice for an active lifestyle and intensive use. Set apart by its modern lines, revolutionary materials and size, this is the sofa to accommodate all of your friends.

The structure is made of laminated wood panels. The seat cushion is made from medium density HR (high resilience) foam covered by a layer of batting. Back cushions' consistency is achieved with extra flexible foam. Added comfort can be obtained by attaching two or more mobile headrests to the back cushions.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. The manufacturer's recommendation is for the revolutionary Infinity fabric collection which are stain-resistant (liquids, grease, etc.) materials – www.infinitytreatment.com. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Also available with Hungarian embroidery

Bucovina Sofa

Built in keeping with the genuine Romanian tradition, the Bucovina sofa offers a new view for modern and classic interiors. The simplicity of construction, the clean and flat lines, delight the view and guide it to the catchy floral embroidery sewn both onto the sofa's arms, seat cushions and pillows. If you want a comfortable sofa which will also delight your eyes and heart, then Bucovina sofa is the perfect choice.

The structure is made of solid beech wood, multilayer and chipboards. The comfort is provided by the coil spring structure of the seat and the high density HR (high resilience) foam of the seat and back cushions.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. The manufacturer's recommendation is for the colour combination of the original model. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Miami Sofa

Miami is a piece of furniture that breathes a retro air. The sculptural lines, accentuated by wooden legs, stand as a testimony of the past being successfully incorporated into the present. The small width of the back and arms of the sofa, makes it suitable for small spaces, but at the same time, effectively enhancing the feel of a generous space.

The structure is made of multilayer and solid beech wood. The comfort is provided by the medium density HR (high resilience) foam of the seat and back cushions and by the small decorative silicone fiber pillows.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. Due to the partial slipcover feature, the manufacturer's recommendation is for a fabric upholstery. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Bruxelles Corner Sofa

Optionally, the sofa can be made as extendable version

Paris/Bruxelles Corner Sofa

Paris and Bruxelles are two modular sofas which can pleasantly change the vibe of a living room, making a shift in the way we decorate our living space. The distinguishing feature between the two models is the extra seat cushion stitches of the Bruxelles sofa. Strong points of these two models are the long term comfort and stability of the seat cushions, as well as the great level of versatility depending on the existing space.

The structure is made of solid beech wood and chipboards. The comfort is provided by the HR (high resilience) foam of the seat and back cushions and the extra elastic strap of the seat for the non-extendable version. The extension features a metallic structure, elastic beech slats and a 10 cm foam mattress.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. The manufacturer's recommendation is for a full fabric upholstery or fabric seat and headrests with a faux leather frame. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Notes:

- Slipcovered seat cushions.
- Non-slipcovered headrests; extra slipcover can be ordered.
- Modular products.**
- The extension is suitable for occasional sleeping.

Damasc Chester Bed

Statistically we spend a quarter of our lives sleeping. We at MobilaDalin pride ourselves on delivering the optimal dose of comfort according to your age and lifestyle. The comfortable upholstery and the rounded edges turn this bed into an attractive product, perfectly fit for your cosy space. All this for you to benefit from a boost of energy!

The structure is made of solid beech wood, multilayer and chipboards. The base of the mattress features a metallic frame and elastic beech slats. The storage case is entirely upholstered both on the inside and outside.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. The manufacturer's recommendation is for a fabric upholstery. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

Notes:

Non-slipcover feature.
Fully disassemblable.
The mattress is not included.

Entirely upholstered storage case.

Teleorman Chair

A versatile chair, fit for an active lifestyle with focus on comfort and an eye for quality. Seen as a fruitful match between classic design and the delicate embroidery of the traditional Oltenian overcoat, this chair offers a fresh note and timeless comfort. A fusion of new decorative trends which integrates modern with traditional. The right chair, overflowing imagination and an abundant table... the perfect recipe for a charming evening.

Exquisitely finished, the chair's structure consists of laminated wood panels and solid beech wood. The comfort is provided by the sinusoidal springs of the seat cushions, covered with a high density foam and the back cushions made also of a high density foam.

MobilaDalin offers a wide range of fabrics for upholstery. However, a fully customizable choice of the upholstery materials is provided for by the configurator available at www.mobiladalin.ro, for each product.

The **Teleorman Table** will impress with excellent craftsmanship of details, fine embroidery and solid beech wood legs. The table top consists of upholstered chipboard, available in various textures and colours, all embroidered with traditional Romanian motifs. The upholstered surface can be covered with tempered glass for protection.

The legs come stained or painted in different shades. Slipcover feature: table top.

Also available with Hungarian embroidery

ACCESSORIES

enjoy living

ENJOY LIVING

We try to escape routine, we are creative and we promote culture.

Over the years, MobilaDalin became a steady partner in many important cultural events. The year 2017 saw us celebrating the 10-year anniversary of partnership with George Enescu Festival, 5 years in partnership with TIFF (Transilvania International Film Festival), while we continued to partner with Untold as we did from its start.

The events that we endorse are very diverse, ranging from festivals: NexT Film Festival, Street Food Festival, Neversea, TiMAF to IT conferences such as TeCOMM, DevTalks, or JSHeroes.

We enjoy supporting quality cultural events.
EnjoyLiving! EnjoyCulture!
