# SOFAS

When choosing one of our sofas, you can customize it by selecting your favourite colour or texture of the upholstery. Some models allow for a wide range of customization, from arm design, lounge chair's position (left / right), to layout configuration (for modular products), which best fit your own space.

Our furniture has a minimum lifespan of 10 years. Carefully choose your favourite product, upholstery material and the right configuration – the furniture will accompany you through your daily experiences for a long time!

Whether you need an office sofa, a modular sofa, an attractive design for relaxation amidst your family or an extendable sofa to fit your less than generous spaces, you are in the right place. Always choose what it best fits your needs!

### New Chester Sofa

The modern rendering of the classic "Chester" style is found in "New Chester", a formula devised and thought-through to answer the contemporary need for comfort. What makes it very attractive, is the contrast between volumes, the bulky arms and backseat being made more visible by high metal legs, therefore better framing the sofa's relaxing space.

The comfort is provided by the seat cushions made of high density HR (high resilience) foam on top of an elastic strap net, and the high density HR (high resilience) foam of the back cushions, covered with a layer of wadding.

MobilaDalin offers a wide range of upholstery materials: fabrics, natural leather and faux leather. The manufacturer's recommendation is for a fabric upholstery.

However, a fully customizable choice of upholstery materials is provided for by the configurator available at [www.mobiladalin.ro](http://www.mobiladalin.ro), for each product.
